General boat storage information

- Except for storage of a boat on a trailer in the compound yard, trailers are not permitted to be stored.
- Storage is intended for boats that are being regularly raced in Club events.
- Storage location allocation may be changed by boat registrar in consultation with the member at any time during the year.
- Storage rights are allocated / reallocated each February, for commencement on March 1st.
- After all other considerations storage is allocated in order of receipt of applications.
- Applications are not accepted until payment has been received.
